Entelechy is proud to be Thermo Fisher Scientific's preferred authorized Everything DiSC® partner, capable of delivering the entire DiSC family of proven, research-validated solutions, including Everything DiSC assessments and virtual workshops. At the foundation of Entelechy's Everything DiSC offerings are a commitment to partnership, engagement, and lasting impact on the learner and the broader organization.

Everything DiSC enables employees and leaders to work more effectively with each other, collaborating, innovating, and unlocking the potential in one another. Leveraging the powerful Catalyst™ platform, participants can continue to apply key learnings back on the job and view insightful DiSC information about colleagues, which fosters more effective collaboration. The Everything DiSC on Catalyst personal development platform is available for Workplace, Management, and Agile EQ assessments.

As leadership development experts for 30+ years, we specialize in bringing Everything DiSC content to life in our highly engaging, expertly facilitated virtual workshop offerings. All virtual workshops accommodate 20 participants and are delivered on the Adobe Connect platform:

- ***Everything DiSC Workplace-Virtual***
- ***Everything DiSC Management-Virtual***
- ***Everything DiSC Work of Leaders-Virtual***
- ***Everything DiSC Agility in the Workplace-Virtual***

Entelechy handles all administrative tasks associated with assessments and virtual workshops, including ongoing support, individual account set-up, and assessment and profile distribution.

Begin your order now or **contact Entelechy** with any questions or to discuss in-person workshops or local language delivery needs.

Entelechy's skillful approach to Everything DiSC Work of Leaders makes it a key contributor to the success of one of our flagship leadership programs. The session is impactful, and the insights gained, invaluable.

Everything DiSC Work of Leaders-Virtual Workshop

Entelechy's *Everything DiSC Work of Leaders-Virtual* workshop is designed to help leaders of leaders (i.e., business unit leaders, functional group leaders, senior organizational leaders) analyze and create action plans that help bring their visions to a reality. Entelechy's *Everything DiSC Work of Leaders-Virtual* workshop introduces leaders to a simple, compelling model of leadership implementing the steps of Vision, Alignment, and Execution. The *Everything DiSC Work of Leaders-Virtual* workshop approaches leadership as a one-to-many relationship, as opposed to the one-to-one relationship explored in Entelechy's *Everything DiSC Management-Virtual* workshop.

Entelechy's *Everything DiSC Work of Leaders-Virtual* half-day workshop focuses on understanding how a leader's tendencies influence their effectiveness in leading a group or organization toward desired outcomes. *Everything DiSC Work of Leaders-Virtual* provides a simple process to help leaders approach their most fundamental work: crafting a vision, building alignment around that vision, and championing execution of the vision.

Key workshop details include:

- **Learning time:** 4 hours
- **Cohort size:** Up to 20 participants
- **Platform:** Adobe Connect

Workshop Learning Objectives

Participants will be able to:

- Define the four behavioral tendencies of the DiSC model and their characteristics.
- Better understand their own DiSC style.
- Explain the *Work of Leaders* three-step process — Vision, Alignment, Execution.
- Identify best practices and areas of opportunity.
- Craft a compelling vision for their team.
- Strategize a plan for gaining — and maintaining — alignment for their vision.
- Commit to an action plan for the ongoing execution of their vision.
