

Unleash Your Leadership Potential

Virtual Workshop Series

Unique Leadership Development Opportunity

Your people leaders have a unique opportunity to experience Entelechy's award-winning flagship leadership development program, *Unleash Your Leadership Potential*. With this limited time offer, your leaders will gain access to the same award-winning models and learning activities that serve as the foundation for Entelechy's custom leadership development programs for clients like Thermo Fisher Scientific, Vanguard, Republic Services, and hundreds of others. Now's the time to invest in your leaders and capitalize on any remaining development funds before the end of the year.

Powerful Tools

- Everything DiSC® Management Assessment
- Leadership Self-Assessment
- Management Action Plan
- Leadership Minutes email series
- On-the-job resources

Workshop Overview

Unleash Your Leadership Potential provides leaders with the skills and confidence to build productive, meaningful relationships with their team to lead effectively, manage performance, and to develop talent and bench strength. *Unleash Your Leadership Potential* features virtual instructor-led training, leadership assessments, real-world application activities, skills practice, and reflection.

With Everything DiSC® Management, leaders are empowered to identify the insights, ideas, and actions that will build stronger relationships and help them communicate clearly and thoughtfully with others. Participants leave with the skills and tools needed to make an immediate impact back on the job.

Time Commitment

Unleash Your Leadership Potential is a three-part virtual workshop series consisting of three, 3.5-hour long live sessions. Participants are expected to complete approximately 45 minutes of preparation before the first live virtual session.

Three-Part Virtual Workshop Series

Thursday, November 7, 2024
Thursday, November 14, 2024
Thursday, December 5, 2024
9:00am-12:30pm ET on Zoom

Participant Takeaways

Leaders will learn how to:

- Directly impact performance, culture, and engagement by delivering powerful feedback.
- Foster continuous learning through coaching, encouraging team members to develop new skills and remain adaptable.
- Utilize the diverse strengths of their team by delegating in ways that support individual strengths and create growth opportunities.
- Confidently and proactively address performance gaps to foster trust and co-create a better path forward.
- Create an environment where their team feels supported, valued, and empowered to contribute.
